Investigator Sandberg was shot and killed in the line of duty on October 18th 2015. His sacrifice and service will be remembered with his inclusion on the National Law Enforcement Memorial in Washington D.C. during Police Officer Memorial Week. All proceeds go to the Aitkin County Law Enforcement Benevolent Association to send his partners to Washington DC so that they can fulfill the tradition of representing their partner, his family and the community during this important time. It will also help fund an Aitkin County Law Enforcement Memorial that will become a lasting remembrance in our community.
